Applicant requests that the references cited on the attached supplemental form 1449 be included in the record of the above-referenced patent application. Copies of the references are enclosed. These references were included on an International Search Report for the related PCT application. A copy of the ISR is attached. A corresponding US Patent (Serial No. 6,284,824) has been included with the German patent DE 198 50 453 A1.

It is believed that no fees are due at this time, however, the Commissioner is authorized to debit any fees deemed due from Deposit Account No. 07-0862.

Respectfully submitted,  
OPPEDAHL & LARSON, LLP
